DIRECTOR MESSAGE

Mr. Mrinal Bandopadhyay

Director

Mr. Raviraj Patil

Director

As we continue to navigate the ever-evolving landscape of the mechanical fabrication and erection industry, I am proud to reflect on our company's commitment to excellence and customer satisfaction.

At Zacob Industries, we have always prioritized quality, safety, and innovation. Our team of skilled professionals has consistently delivered top-notch solutions, exceeding client expectations and setting new benchmarks in the industry.

As we move forward, we remain dedicated to investing in the latest technologies, expanding our capabilities, and fostering long-term partnerships with our valued clients.

I extend my sincerest gratitude to our employees, customers, and stakeholders for their unwavering support. Together, let us continue to shape the future of mechanical fabrication and erection."

OUR SERVICES

Bulk Material Handling Equipment

These are systems and machinery used to move, store, control, and protect materials in bulk form. They are essential in industries like mining, construction, power plants, and ports.

Sugar Plants and Machinery

Specialized equipment designed for sugar production, from sugarcane or sugar beets, including extraction, processing, and refining.

Crushing & Screening Equipment

Machines used to crush and screen materials, making them suitable for further processing or use in construction.

Allied Industrial Equipment

A wide range of auxiliary equipment used to support primary industrial operations. Heat exchangers, Industrial mixers and blenders, Compressors and pumps, Dust collection systems, Material feeders and loaders etc.

EMPOWERING INNOVATION WITH WORLD-CLASS FACILITIES

At Zacob Industries, our state-of-the-art infrastructure forms the backbone of our success in delivering cutting-edge structural engineering and manufacturing solutions.

Key Features of Our Infrastructure

1. Advanced Manufacturing Units
 - Precision Machinery
 - High-Capacity Production Lines
2. Research and Development (R&D) Centers
 - Innovative Design Labs:
 - Material Testing Facilities:
3. Sustainable Practices
 - Green Energy Initiatives
4. Logistics and Distribution Hubs
 - Strategic Locations
 - Fleet Management Systems
5. Workforce Empowerment
 - Training and Development Centers
 - Safety Protocols

Commitment to Excellence

With a focus on continuous improvement, our infrastructure is constantly upgraded to incorporate the latest innovations in technology and engineering. From concept to completion, we ensure every project benefits from our advanced facilities and skilled workforce, enabling us to deliver excellence at every stage.
